City of Monroe Department of Public Services Budget Presentation

Prepared by the City of Monroe Department of Public Services Patrick M. Lewis, P.E., Director March 13, 2012

Public Services Functions / Budget Responsibility

- Organization of Public Services Staff is into six primary work groups, who share responsibilities during peak times:
 - Administrative
 - Electrical / Traffic Control
 - Forestry Services
 - > Parks Maintenance
 - Fleet Maintenance
 - General Operations

- Multiple Funds Administered by Public Services
 - 101 General Fund –
 Operations (60.441), Forestry
 (60.468), and Parks (60.756
 and 70.756)
 - > 202 Major Street Fund
 - > 203 Local Street Fund
 - > 226 Refuse Fund
 - > 231 Parking Fund
 - > 295 Airport Fund
 - ▶ 641 Stores and Equipment Fund
- All but Parking Fund are administered essentially exclusively by Public Services

Public Services General Fund Budget Discussion

Key Concepts:

- Public Services managed as one department, but for budget purposes Forestry and Parks are broken out separately
- Labor costs generally all figured into DPS Operating budget, then "force labor" is charged to the Forestry and Parks budgets through expenditure credits
- Expenditure credits also offset DPS Operating budget from other funds as well

Key Statistics:

- ➤ Total DPS gross expenditures projected \$2,515,295 for FY 11-12, proposed for \$2,557,307 for FY 12-13.
- ➤ Net General Fund cost \$1,917,095 projected for FY 11-12, proposed for \$1,951,207 for FY 12-13.
- ➤ Proposed FY 12-13 budget is 1.8% increase from FY 11-12 projected, and a 3year reduction of 4.2% from actual FY 09-10 expenditures, 14.4% decrease from FY 07-08.

Public Services – FY 12-13 Proposed Expenditure Distribution

Public Services – FY 12-13 Proposed Expenditure Credit Distribution

Public Services – Current Staffing

Public Services – Initiatives and Challenges

Personnel Changes / Shift to some Contract Services

- Overall staff has declined from 37 in 2003 to 19.5 funded for current fiscal year. Proposed staffing level is same. Operational Assessment level from 2007 report was proposed at 25.
- Due to economy, high grass and weeds, blights have increased in past few years, further straining load, also seem to have increasing vandalism issues.
- Contracting grass maintenance (regular), Ordinance mowing (as needed), Ball Field Maintenance (as needed) and Custodial (7 days a week in season). Staff will only be used for repairs and "on call" situations for Parks, drawn from Operations crew. These changes seem to have resulted in major cost avoidance over the past few years, and have allowed DPS budget to remain flat over the past few years, decreasing substantially from prior years.
- Feel most major structural changes needed for long-term sustainability have already been achieved, no other major changes for 2012.
- Large number of potential Teamster retirements could occur in next few years as well, over half eligible in next three (3) years.

Unfunded Mandates

- City's Storm Water Discharge Permit requires more intense scrutiny of storm system maintenance – will require us to continue street sweeping and vactor operations with same or greater intensity even amidst other needs
- Many deferred maintenance items in this particular area, clogged outlets, undersized pipes, etc.

Aging Infrastructure

Street capital projects cannot keep up with deterioration (should do more than 3 miles per year, usually do half this), so maintenance activities more intense.
